

Limestone Trout Club

# **Fire Pit Guide**

---

**Bring your own or locally sourced firewood**

**Clear area of all flammables**

**Drown all embers before leaving a pit**

**Place ash/charred wood in metal buckets**

**Unused wood can be left on the rack**

**Use the Birch Pond pit when cottage is rented**

---

## **Do Not Build A Fire:**

**In High Winds (>10mph)**

**When Forest Fire Danger is High**

**PLEASE DO NOT**

**Leave an unattended, active fire**

**Use wood from LTC pole barn**
